	2002	2001
All waste to BFI landfills	1,287,976	1,262,83
Outside (region) waste disposed in Shelby Co	212,931	269,922
Shelby Co. waste landfilled <i>in</i> Shelby Co.	1,075,045	992,961
Incinerated	4,361	0
Shelby Co. waste hauled <i>outside</i> Shelby Co	345,108	313,573
Total tons of Shelby County Class I solid waste	1,424,514	1,311,890.10
Total tons of mulch/compost/Class III/IV waste	452,345	
*Tons of waste recycled	unknown	

* Unable to quantify the tonnage of recyclables generated, processed or sold. There are a large number of recycling generators in Shelby County and only a few generators report their volume. Many companies in Shelby County ship their recyclable materials directly to processors without the board's knowledge. Also, without knowing all recycling businesses and the customers of each recycling processor, the volumes can easily be duplicated, thus distorting the actual total volume.
